Subject: Data Governance Stakeholder Meeting plus Delta Stewardship Council Summer Series on Data, Obstacles to Sharing Monitoring Data

California Water Quality Monitoring Council

Stakeholder meeting to discuss water data governance options

The AB 1755 Partner Agency Team will hold a public meeting **Thursday, August 2, from 10 a.m. – 12 p.m. in Sacramento**. Participants will receive an overview of a recent Redstone Strategy Group report on sustainable governance and funding of open water data and will have an opportunity to discuss long-term water data governance options.

Because of your interest in water data, you may be interested in two additional items from today's edition of the California Water Plan eNews:

Delta Stewardship Council continues summer series on data to decision-making

This week's Delta Stewardship Council meeting will include a presentation on the role of the Collaborative Science and Adaptive Management Program. The presentation is part of the Council's summer series on data to decision-making. The meeting will be **tomorrow, July 26, beginning at 9 a.m. in Sacramento**.

Data Management Workgroup to discuss obstacles of sharing monitoring data

The California Water Quality Monitoring Council's Data Management Workgroup is meeting **tomorrow, July 26, from 1 – 4 p.m. in Sacramento**. The agenda includes a series of presentations on obstacles faced by non-State organizations when it comes to publicly sharing monitoring data.

Putting Data to Work
